

VECAN

VERMONT ENERGY & CLIMATE
ACTION NETWORK

CONNECTING & ACTIVATING VERMONT COMMUNITIES

Johanna Miller, Vermont Natural Resources Council
Testimony to House Energy & Technology – Jan. 18, 2022

Since 2005 - VECAN's Mission:

Help start, support and strengthen town energy committees and local energy and climate action.

Coordinating Partners:

VNRC (coordinator)

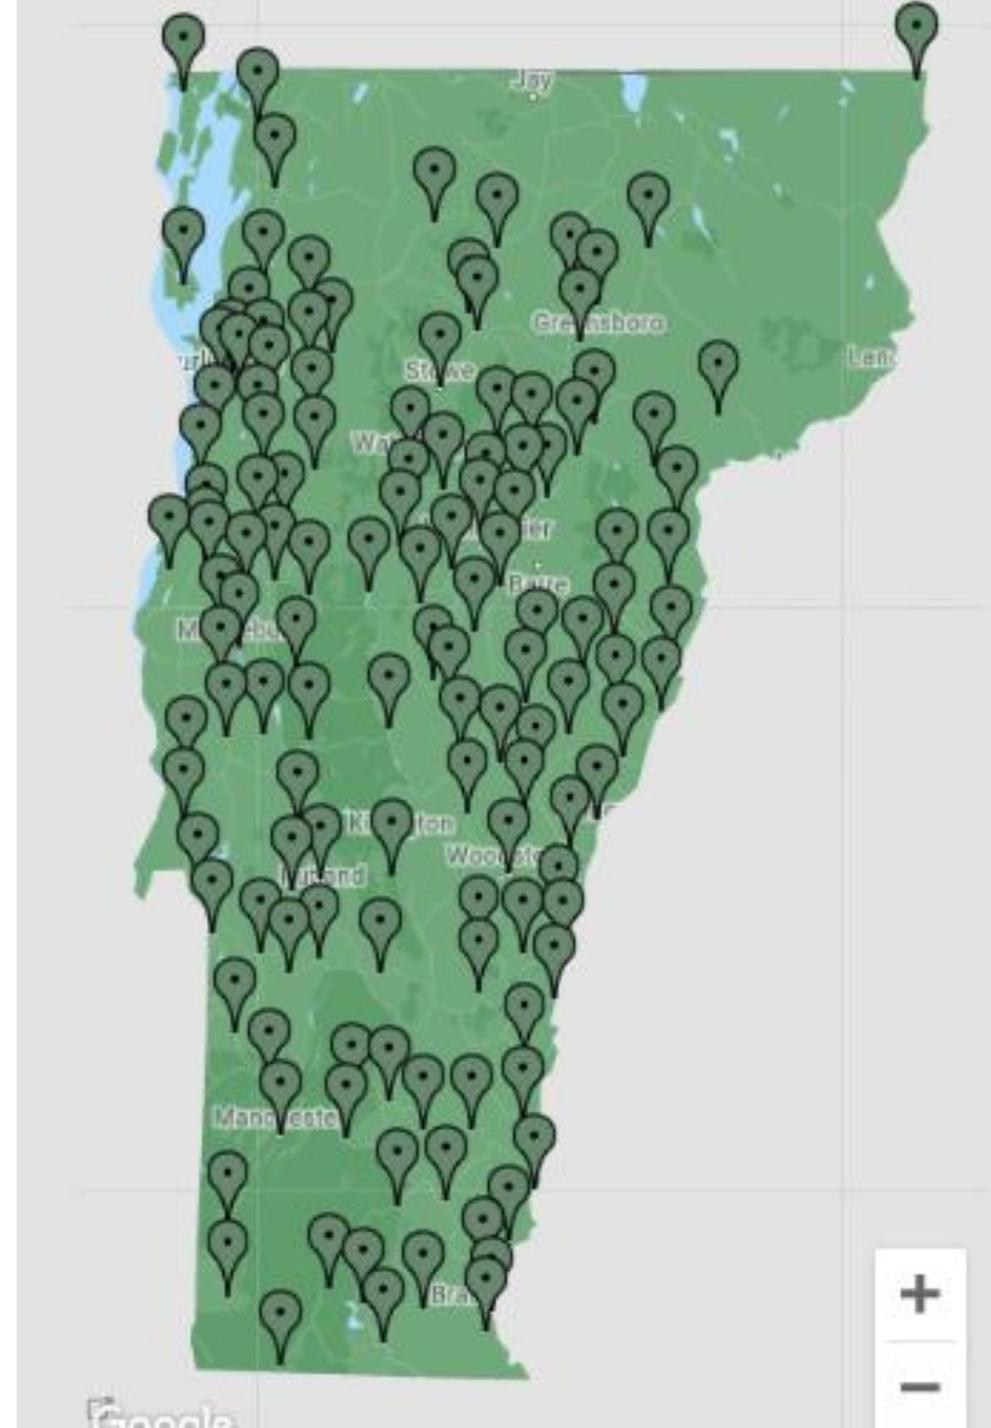

Vermont Council on Rural Development

Vital Communities

Efficiency Vermont

Energy Action Network

So many others...RPCs and beyond.

Town Energy & Climate Action Committees in Vermont

**Towns have made progress.
We have the technology, public support and GWSA.
We need what H.518 will help deliver – and more.**

We Must Cut Carbon In 1/2 by 2030

Dramatic Fuel Switching, Efficiency Key

Johanna Miller –
